Season's Greetings!

The Wolf Park Board and Staff along with the wolves, coyotes, foxes, and bison would like to take a moment and say **thank you** for your continued support, volunteer time, and contributions throughout the year. Without all of you we would not be able to accomplish our mission.

Thanks to our supporters, 2011 has been a big year for us! We added The Wright Center, our new conference and lecture hall which was donated by board member Gladys Wright and her husband Al Wright, with furnishing provided by The McAllister Foundation. This new building will allow us to expand our seminars and educational programs. We also added a Day Camp for 4-year-olds, started work on a new photography pen, and added Wolf Discovery Day to our programming. The County took over the road leading up to the Park and upgraded it by chipping and sealing it.

We need your help today to reach our 2011 goal of \$100,000.00 in additional donations to continue our mission and to help us grow.

In 2012, Wolf Park will be celebrating its 40th anniversary! We need your support to continue to educate the public on wolves and other animals and to continue our research efforts. Some of our goals for next year include establishing another large enclosure so that our wolves in the smaller enclosures can enjoy more space. We have received funding for a new automatic gate, which will increase safety for both animals and humans and are working on landscaping around the new building. Another big goal is to build a Wolf Infirmary so that sick or injured wolves, foxes or coyotes would have a warm place to recover.

We need your help today to accomplish these goals! **The cost associated with running Wolf Park is roughly \$1368 per day.** Please partner with us today by sending a tax-deductible gift to Wolf Park. For all donations of \$100 or more we will send a 5 x 7 inch un-matted photo taken by Monty Sloan. For donations of \$300 and more we will send a fully matted 8 x 10 inch print signed by Monty! To receive these special gifts, you must submit your donations by December 31, 2011.

All of us at Wolf Park wish you a delightful holiday season, and a Happy New Year!!

Elizabeth Rose, Managing Director Denise Pearson, Director of Development

P.S. – There are plenty of other ways that you can help support Wolf Park and help us continue educating future generations for the next 40 years: make a bequest to Wolf Park by including us in your will; contribute to the endowment fund that provides ongoing income to Wolf Park; or make us the beneficiary of your life insurance policy.
